DECORATE THE TABLE ROLLING FOLD

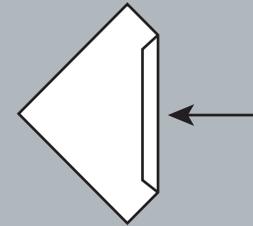

Step 1: Start with a flat, open Dinu napkin. Fold the bottom half up to form a rectangle.

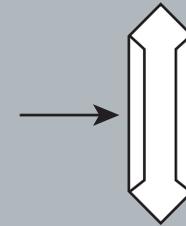

Step 2: Fold in half again to form a rectangle. Once folded, rotate into a diamond shape.

Step 3: Make sure the open edges are facing the bottom.

Step 4: Roll the right side towards the centre of the napkin.

Step 5: Roll the left side towards the centre of the napkin.

Step 6: Insert the roll into a napkin ring and turn over so the smooth side is facing up.

Optional: Use the napkin face down if you would like to create more interest.
