

UNIVERSAL PAPER & PLASTICS COMPANY PROFILE

Our History

About Us

Universal Paper and Plastics (UPP) is a family business, which is why we understand the needs of South African and corporate families so well.

Our inspired and skilled people utilise the latest technologies, processes and systems to create products that are second to none in quality and the solutions they offer.

Developing innovative everyday products that satisfy the creative mind as well as meet the hygienic needs of our customers. We strive to provide a leading range of products that will improve the state of hygiene across Southern Africa.

At UPP people and ideas matter, and we make sure to deliver with excellence and integrity. Let our family provide you with the napkins, tissue and towels to make you feel right at home. Wherever you are.

Our Company Values

We act with integrity.

We require our employees to always be professional and act with high moral principles. We always consider how our actions will affect those around us, whether it is inside or outside our company. Respecting all those around us we create a better working environment.

We are committed to responsible growth.

We believe that every employee should devote their time and efforts towards achieving the objectives of our company and our stakeholders. We encourage all employees to be committed to making a positive and value-adding difference in their work and personal lives.

We are devoted to empowerment.

We work to empower every individual at every level. Developing our employees results in an improved level of performance. Empowering our employees gives them the confidence to surpass any challenge.

Excellence is our benchmark.

We strive to be excellent in every endeavour. This challenges us to always exceed the expectations of our customers, stakeholders and colleagues. We motivate our employees to be their best.

Our Brands and Sister Companies

Diamond napkins make a premium statement of style. Exclusively available from specialty stores, this designer napkin range brings a touch of class to every occasion. Diamond provides a better quality napkin with creative prints to consumers who appreciate the finer things in life.

The Dinu range adds fun wherever it's used. The most prominent retail household tissue brand, Dinu has also been the leading premium napkin brand in South Africa for a number of years. The range consists of serviettes, napkins, bathroom tissue, household towel, and hankies.

Dinu Professional focuses on the wholesale and away from home industries, specifically catering for the business needs of the hotel and hospitality industries. We offer a very large range of products, all of which are fully customisable. We use only the highest quality raw materials & state of the art machinery.

Universal Paper Manufacturers

Universal Paper Manufacturers (UPM) was established in 2008 and is a manufacturer of 100% virgin tissue paper. UPM manufactures a variety of tissue grades for toilet, towel, and serviettes.

We have a great flexibility to meet the customer's requirements and can manufacture tissue paper from 17-28 GSM. We are also able to slit the paper in 1, 2, or 3 Ply in different widths as per the client's specifications. UPM uses only the best raw materials and adheres to strict quality control standards, always striving to manufacture quality products. All parent reels are wrapped and labelled before delivery.

Universal Inks

Universal Inks (Uinks) was established in 2002 and is a manufacturer of water-based flexographic inks. Uinks initially supplied the ink requirements of Universal Paper & Plastics only, but now supplies inks to outside companies for various uses, mainly to the corrugated industry, label industry and for other paper products. Strict quality control processes and accurate colour matchings on the exact substrates ensure that customers are totally satisfied.

We manufacture any colour according to Pantone colour codes. Inks are delivered in 20l buckets, 200l drums or 1000l flow bins. We are always looking to expand our business and capabilities and will do draw downs and quote customers free of charge. Samples are also provided upon request.
