DECORATE THE TABLE

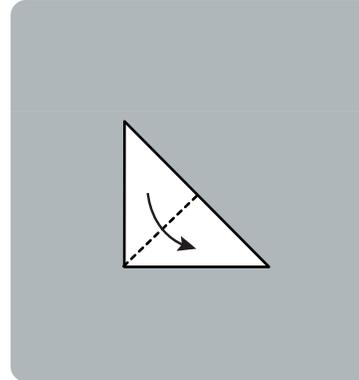

ROSE

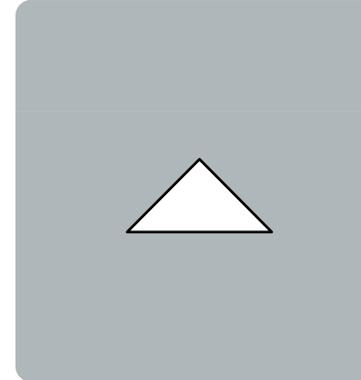

Step 1: Start with a flat, open Dinu napkin. Fold it in half diagonally. (Leaves)

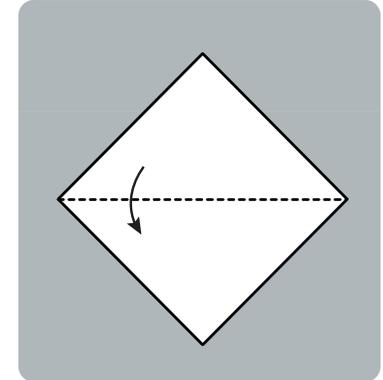

Step 2: Fold it in half again, along the long edge.

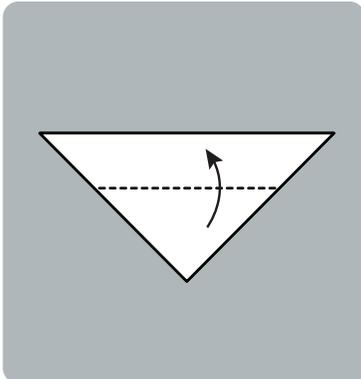

Step 3: Fold it once more in half, along the long edge.

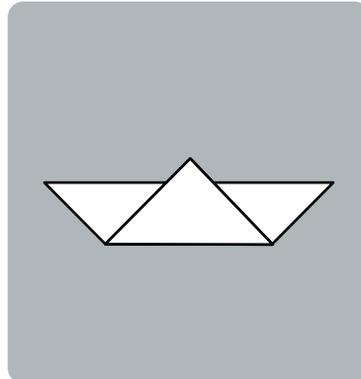

Step 4: Your napkin should look like this.

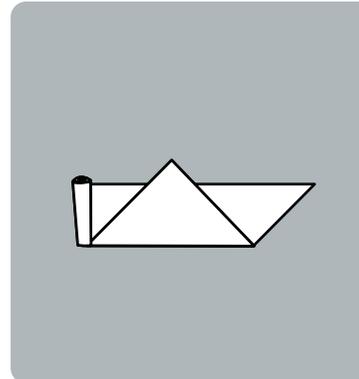

Step 5: Start with a flat, open Dinu napkin. Fold it in half diagonally. (Rose).

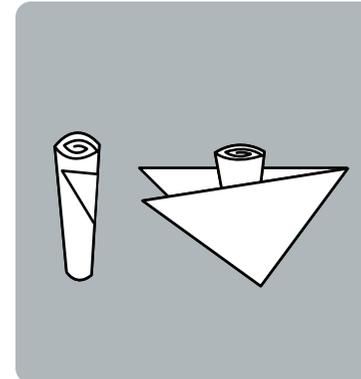

Step 6: Fold the bottom point upwards.

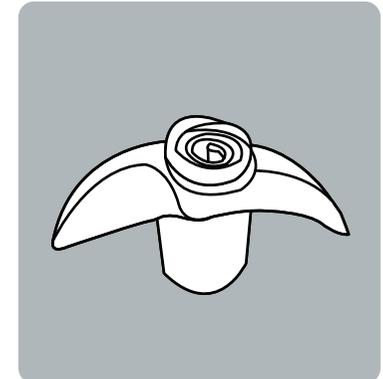

Step 7: Your napkin should look like this. (Parallel edges)

Step 8: Begin rolling the napkin from one end. Guide and adjust the napkin to give it an even shape.

Step 7: Slip the completed flower between the upper and lower halves of the leaves.

Step 8: Arrange in a glass..
